June 9, 2017

Dear Resident of Edenfield Ave:

Edenfield Ave has been selected for roadway improvements consisting of full depth reclamation of the roadway including the installation of granite curbing, concrete sidewalks and an environmentally friendly storm water drainage system

Our contractor, Newport Construction, is scheduled to start this work on Monday, June 12, 2017 (WEATHER PERMITTING). The Public Works Department will make every reasonable effort to inform you of the various aspects of this road construction prior to each process commencing.

'No Parking' signs will be posted along the area selected for road work. Please do not park your vehicle in front of the posted area. The Watertown Police will be informed of the construction and its effects. Typical hours of construction work are from 7:00 AM to 4:00 PM.

We understand that the process is noisy, messy and disruptive and apologize in advance for any inconvenience you may experience. We hope that you will enjoy the improved appearance and condition of your sidewalks and roadway for many years in the future.

Should you have any questions or concerns regarding the project please contact the Watertown Public Works Department at (617) 972- 6420.

Sincerely,

Gerald S. Mee, Jr.
Superintendent of Public Works
