Fax: 617-972-6402

June 22, 2017

Dear Resident of Fairview Ave,

The Watertown Department of Public Works and our contractor, Fred Deroma and Sons. Inc., will begin the repair of selected concrete sidewalks and aprons to the areas marked in front of your residence.

The work is scheduled to start, **WEATHER PERMITTING**, Monday, June 26, 2017 and will run for several days thereafter.

Please do not park your car next to the area marked in front of your residence during construction. If your driveway entrance is also marked please be aware that once the area is formed for concrete you will have no vehicle access to your driveway until the work is completed. During the concrete installation process wooden planks will be placed to access your residence. The Watertown Police will be informed of the construction and its effects. Typical hours of construction work are Monday through Friday from 7:00 AM to 4:00 PM.

If the majority of the house frontage is being replaced, the border between the sidewalk and roadway will be made a grass border. Property owners may petition the Public Works Dept. to have an existing paved border retained.

We understand that the process is noisy, messy and disruptive and apologize in advance for any inconvenience you may experience. We know you will enjoy the improved appearance and condition of your sidewalks for many years in the future.

Should you have any questions, you may call Ed Baptista, Highway Supervisor, at 617-972.6420.

Sincerely,

Gerald S. Mee, Jr.
Superintendent of Public Works
