DEPARTMENT OF PUBLIC WORKS

124 ORCHARD STREET

WATERTOWN, MASSACHUSETTS 02472

Tel: 617-972-6420

Fax: 617-972-6402

August 17, 2017

Cushman Street Residents:

The Watertown Department of Public Works and our contractor, Newport Construction, would like to inform you that we will be replacing *only* sub-standard (cement lined and/or cast iron, or undersized copper) water services.

Replacements and upgrades will include only the water service pipe from the town water main to the curb stop (in the sidewalk area). The work for each home will require approximately 3-6 hours to complete.

Weather permitting, work will begin on Monday, August 21, 2017.

Currently, work is anticipated at the following house services. 14-16 Cushman St, 15-17 Cushman St and 151-153 Fayette St. The Department of Public Works will also replace a hydrant at 4 Hudson St.

The Watertown Police will be informed of the construction and its effects. Typical hours of construction work are from 7:00 AM to 4:00 PM.

We understand that the process is noisy, messy and disruptive and apologize in advance for inconvenience you may experience. We know you will enjoy the improved appearance and condition of your roadway for many years in the future.

Should you have any questions, you may call Public Works at 617.972.6420.

Sincerely,

Gerald S. Mee, Jr.
Superintendent of Public Works
