Tel: 617-972-6420

Fax: 617-972-6402

October 6, 2017

Dear Residents and Abutters of Bacon Street and Howard Street:

This letter is to inform you that M. DelVecchio Construction will be milling on Bacon Street and Howard Street adjacent with the Riverpark Lofts project on Tuesday, October 10, 2017.

The milling process entails cutting off a 1.5 inch deep surface of the roadway. Due to the nature of this process, there will be no access to the roadway during the actual work. For this reason, you may wish to remove your car from the street prior to 7 A.M. and park it elsewhere during the course of this phase of the construction to guarantee access. Hours of construction on the street will run between 7 AM and 4 PM.

We are requesting flexibility from the Police Department on parking arrangements.

Sincerely,

A handwritten signature in cursive script that reads "Gerald S. Mee, Jr." The signature is written in black ink and is positioned below the word "Sincerely,".

Gerald S. Mee, Jr.
Superintendent of Public Works
