## IMPORTANT NOTICE

Residents of Bellevue Road/ Mason Road and Abutters:

The Watertown Department of Public Works and our contractor Commonwealth Construction and Utilities will be starting a water main replacement project on Bellevue Road during the week of October 16, 2017.

This project will consist of a number of Water Main Gate replacements and selective Water Main replacements during the initial stage. Work will take place on:

Mason Road at Fuller Road to Channing Road  
Bellevue Road at Bradford Road  
Bellevue Road at Standish Road  
Bellevue Road at Lovell Road

followed by a Main replacement on Bellevue Road.

Temporary shutdown of the water main on Bellevue Road will be necessary when making the connection for the new pipe. You will be notified prior to any shut down of the water.

If you have any questions contact the Department of Public Works at 617-972-6420.

  
Gerald S. Mee, Jr.  
Superintendent of Public Works
