Dear Resident and Abutters of Arden Road:

Your road has been selected for roadway improvements consisting of full depth reclamation of roadway and installation of a course of asphalt binder for the winter season. Granite curbing, concrete sidewalks and the finish course of asphalt will be completed during the next construction season

Reclamation of the road is scheduled to start; **WEATHER PERMITTING**, Thursday, November 2, 2017. Prior to reclamation, road crews will be lowering street castings. The Public Works Department will make every reasonable effort to inform you of various aspects of this road construction prior to each process commencing.

'No Parking' signs will be posted along the area selected for road work. Please do not park your car in front of the posted area. The Watertown Police will be informed of the construction and its effects. Typical hours of construction work are from 7:00 AM to 4:00 PM.

We understand that the process is noisy, messy and disruptive and apologize in advance for inconvenience you may experience. We know you will enjoy the improved appearance and condition of your sidewalks for many years in the future.
