## IMPORTANT NOTICE

Dear Residents and Abutters of Mason Road:

The Watertown Department of Public Works and our contractor, Commonwealth Construction and Utilities, Inc., will begin work on Mason Road to replace two water services on the even side of the street. This work is part of the Water System Improvement Project.

**Weather Permitting;** work will begin the week of April 9, 2018

We understand that the process is noisy, messy and disruptive and apologize in advance for any inconvenience you may experience.

Should you have any questions, you may call Public Works at 617-972-6420.

Sincerely,

Gerald S. Mee, Jr.  
Superintendent of Public Works
