## Belmont Street Reconstruction Project

Wednesday, March 24, 2021

6:00-7:30PM

Dear Neighbor,

Belmont Street, between the Belmont town line and Mt Auburn Street, is scheduled for roadway and sidewalk reconstruction. This section of Belmont Street is in Cambridge and the southside sidewalk is in Watertown.

We invite you to join us on **Wednesday, March 24th from 6pm to 7:30pm** for a virtual community meeting to review the proposed reconstruction plans, discuss project schedule, and answer questions.

**The meeting can be accessed through this link:**

- **Dial in: US: +1 312 626 6799**

These plans were developed over a series of community meetings with residents held in May 2019 and October 2019, and with support from the Town of Watertown. We encourage you to attend, as we value the feedback we receive from residents and businesses.

There will be a video presentation played at the start of the meeting. The presentation will also be posted online on March 22nd at <https://www.cambridgema.gov/Departments/publicworks/cityprojects/2019/belmontstreetreconstructionproject> so that residents who wish to submit questions in advance of the meeting may do so. Advance questions, as well as new questions received “live”, will be answered during the meeting.
