

Anticipated Work—Week of April 5, 2021

- [2020 Road Program](#) & [Common Street](#) (Onyx Corporation)
 - Contractor plans to remobilize week of April 19 to complete punch list items, curb and sidewalk on Nichols Ave., and final paving of Wheeler Lane
- [20-01W Water Main Replacement](#) (Commonwealth Construction)
 - Final trench paving and sidewalk repairs (Essex St., Nash St., Pine St., and Oak St.) scheduled for later in April
- [2021 Road Program](#) (Lorusso Corporation)
 - Contractor will begin mobilization, layout, and installing tree protection on Grandview Ave., Gertrude Street, Goldie Street, and Elmwood Ave.
- *Sanitary Sewer Rehabilitations Contract 19-01S* (Commonwealth Construction)
 - Inland Waters will be cleaning and inspecting various sewers and drains on various streets throughout Town. No interruption of water or sewer service is anticipated, however there may be temporary road closures and/or parking restrictions.

- [Sanitary Sewer Rehabilitations Contract 20-01S](#) (Umbro & Sons Construction)

Insituform will be installing CIPP on the following streets:

- Franklin Street (Mt. Auburn Street to Center Street)
- Irving Street (Riverside Street to North Irving Park)
- Russell Avenue (Bellevue Road to Brigham Street)
- Sycamore Street (Belmont Street to Perry Street)

Note: If your home or business is connected to the sewer line being rehabilitated, your sewer service will be temporarily blocked off from the sewer mainline once the liner is inflated.

During this time your water service is not shut off and you can continue using it for drinking, cooking and other purposes, but residents are asked to limit water use. You should avoid taking showers or baths, running your dishwasher and washing machine, and also be sure to turn off all sump pumps connected to your sewer service. Flush your toilets sparingly. Using small amounts of water to wash your hands or brush your teeth is okay. See [website](#) for additional information.

Umbro & Sons Construction will continue sewer and drain repairs on Robbins Road Extension.

- *2021 Sanitary Sewer Investigations (National Water Main)*
 - Contractor will be cleaning and inspecting various sewer lines within the [project area](#). No interruption of water or sewer service is anticipated, however there may be temporary road closures and/or parking restrictions.
