Dear Abutters:

The Department of Public Works and our contractor, Onyx Corp, will start installing the final asphalt wearing surface on your street(s) in the order presented above, **WEATHER PERMITTING**, on Monday, July 12, 2021 and if needed, finish on Tuesday, July 13, 2021.

The street will be closed to motor vehicle traffic during this paving process. Please park your motor vehicles out of the construction area on the intersecting side streets if necessary.

Please do not park your car on your street or on your driveway to avoid being blocked in during the construction. Vehicles not removed from the street by 7:00 am, will be towed, per order of the Department of Public Works. The Watertown Police will be informed of the construction and its effects.

We understand that the process is noisy, messy and disruptive and apologize in advance for inconvenience you may experience. We know you will enjoy the improved appearance and condition of your roadway for many years in the future.

Should you have any questions, please call the office at 617-972-6420.

Sincerely,

Gregory St. Louis LEED AP BD+C
