Gregory St. Louis, P.E.  
Superintendent

June 17, 2022.

## **IMPORTANT NOTICE**

### **UPDATED**

Dear Residents and Abutters of Maude Terrace.

The Department of Public Works would like to inform you that we will be working, **WEATHER PERMITTING** Friday, June 24, 2022, to replace a catch basin on your street. Due to the location of the existing structure in proximity to the Water Main on Maude Terrace, there will be an interruption of your water service to replace the existing Water Main while the work is being done.

Water will be shut down on Friday from 8:00 AM to 3:00 PM. This work may cause discoloration of your water when reinstated, if so, run your cold water only in the lowest faucet in your home and it will clear itself within five minutes typically. Please make arrangements to store water for drinking, cooking, and cleaning during these hours. The department will try to minimize the amount of time that service will be discontinued to perform this work.

**All work will follow the Commonwealth of Massachusetts**

**COVID-19 GUIDELINES AND PROCEDURES**

**FOR ALL CONSTRUCTION SITES & WORKERS AT ALL PUBLIC WORK**

If you have any questions, contact the Public Works Department at 617-972-6420.

Gregory St. Louis  
Superintendent of Public Works
