IMPORTANT NOTICE

Dear Residents and Abutters of Pierce Road:

The Watertown Department of Public Works, and our contractor Paolini LLC would like to inform you that we will be shutting off the water main to perform a repair to a broken valve on Pierce Road. The work itself can not be performed without shutting down the main unfortunately. The city and its contractor will work to minimize disruption and restore water ASAP. We appreciate your patience and understanding as we move forward correcting the issue.

WEATHER PERMITTING, work will begin on Tuesday, June 21, 2022.

The Watertown Police will be informed of the construction and its effects to the area

Should you have any questions, you may call Paolini project manager Robert Keefe at 617-999-9799.

Sincerely,

Gregory St. Louis, PE
Superintendent of Public Works
