VENDORS! for private trash collection

The Town is not responsible for a cleanout or moving in or out of an apartment / house. Additional trash and recycling must be handled by the individuals involved.

Building materials / construction debris and miscellaneous pieces of wood or carpet will not be collected by the Town of Watertown, curbside or at the recycle center.

Building materials / construction debris - Collection of any refuse left by building or building renovations or repair work will not be picked up by the Town. When at all possible, use the hired tradesman who did the work to dispose of the material. i.e., kitchen / bathroom cabinets, any and all building materials.

A "burnable bulk item" is basically household furniture: a wooden dresser, tables, chairs, mattresses etc., anything burnable, please do not disassemble furniture.

Not sure on how to dispose of something:
