HOSMER SAFE ROUTES TO SCHOOL PROJECT **ROAD CONSTRUCTION NOTICE**

BOYLSTON STREET, FROM FAIRFIELD ST. TO CHAUNCEY ST. INCLUDING
INTERSECTIONS
CHAUNCEY STREET

We have been informed by MassDOT that the contractor for the Hosmer School Safe Routes to School Project will be fully remobilized on Tuesday, October 9.

Today, the contractor is working to address safety issues within the work area and to provide updated temporary pedestrian detours to allow work on the north (even) side of Boylston Street to continue.

The attached figure shows new pedestrian access paths to the Hosmer School. Police Department details will continue to assist the school crossing guards with pedestrian movement through the area.

We appreciate the patience that motorists, pedestrians, and abutters have had during this complex construction project.

Gerald S. Mee, Jr.
SUPERINTENDENT
