

Watertown

BICYCLE & PEDESTRIAN PLAN

This is a project of:
Department of Community Development and Planning
Department of Public Works Engineering Division
Watertown Bicycle and Pedestrian Committee

Watertown Bicycle & Pedestrian Plan Public Meeting

Monday, January 27, 2020

Revised Location

**Watertown Middle School Cafeteria
68 Waverley Avenue, Watertown, MA 02472
6:30 - 8:30 PM**

Watertown encourages active transportation—walking, biking and transit—to help reduce congestion, and improve both air quality and public health. The Watertown Bicycle & Pedestrian Plan aims to help achieve those goals by identifying future improvements to the Town’s streets and walkways.

Join us for a discussion on the future of
Watertown’s bicycle and pedestrian transportation
networks and tell us what you would like to see.

Make your voice heard!
